SITE PLANS

Site plans are prepared from the information available and are our best approximation of what night be possible on this site. We cannot accept any responsibility for any inaccuracy or offer any guarantee that tents can be erected as shown without a full site survey.

Circles denoting external anchor positions are not to scale.
Actual anchors are 50mm diameter but multiple anchors are sometimes required. It is often possible to relocate some anchor positions to avoid particular obstacles.

Dimensions given are best working sizes. Actual dimensions may vary by 5%.

Tents are flexible structures and dinensions will vary with topography.
This is particularly true of the Concert Tent where a very small change in angle at the centre can result in up to in displacement at the end of the
